*The First Thanksgiving* by Jack Prelutsky

When the Pilgrims  
first gathered together to share  
with their Indian friends  
in the mild autumn air,

they lifted their voices  
in jubilant praise  
for the bread on the table,  
the berries and maize,

for field and for forest,  
for turkey and deer,  
for the bountiful crops  
they were blessed with that year.

They were thankful for these  
as they feasted away,  
and as they were thankful,  
we're thankful today.
