Winter Inside
by Douglas Florian in *Winter Eyes*

Winter is cold.
Winter is ice.
But winter inside
Is cozy and nice.

Winter is snow.
Winter is sleet.
But winter inside
Is fireplace feet.

Winter is bitter.
Winter is biting.
But winter inside
Is very inviting.

1 Library Closed
New Year's Day

Question:

At the back of every Igloo,
And the middle of the Moon,
Always running around in Loops.
You'll find me,
If you look inside the Room.
What am I?

Answer:
